

3 Ways to Support VA!

Mrs. Flynn and her students collect General Mills Boxtops. The emblem pictured to the left can be found on a variety of General Mills products. Each is worth 10 cents to our school. Box Top donations can be dropped off in the VA Main Office. Click [here](#) or on the Box Top logo for more information.

The Target "Take Charge of Education" program allows families with a REDcard to designate VA as a beneficiary school. All purchases with the card will send a small monetary donation to VA. Funds are used to directly support students and programming. Click [here](#) or on the Target logo for additional information.

Price Chopper sponsors a program that allows families to register their Advantage Cards to credit our school with bonus points each time you make a purchase. The accumulated bonus points can then be used to acquire supplies and equipment in support of school programming. Click [here](#) or on the Tools for Schools logo for additional information.
